## Friday 9th March to Sunday 11th March 2012

Picture yourself nestled among oak barrels, the smell of wine aging in oak, flickering candles, glorious chamber music performed by Australia's leading artists creating a magical ambiance whilst you sip on one of Australia's finest boutique wines. Add to this locally sourced gourmet cuisine catered throughout the weekend, including a food and wine matching lunch (for a lucky few) and culminating in a gala 4 course dinner, all enjoyed within the winery or overlooking the beautiful grounds and vineyards of Sanguine Estate located in Heathcote, Central Victoria.

Welcome to the inaugural Sanguine Estate Music Festival.

The program has been designed to provide an absolute sensory extravaganza that will keep you enthralled from the moment you arrive on Friday to the moment you reluctantly leave on Sunday. This is a family affair and there will be numerous opportunities to meet and get to know the extraordinary musicians, winemakers and chefs, so by the time you leave you'll be a family member too.

We look forward to sharing your company and making year one unforgettable and future years unmissable.

# Concert Program

---

Howard Penny celebrates his return to Australia after a 30 year career based in Vienna with this stunning program for the inaugural Sanguine Estate Music Festival . He writes:

“Having performed in major festivals throughout the world, I wanted this one to have a sense of highest quality, discovery and relaxed interaction. I feel that a good festival is an opportunity to go beyond the normal concert season – bringing top artists together sometimes for the first time, in first-class repertoire both familiar and underappreciated. I would love to encourage the sense that everyone involved is a festival artist in their own right: the musicians, the winemakers, the chefs and producers, and of course the audience. Everyone will gain a deeper knowledge and appreciation of each other’s skills and interests: one big backstage pass!”
